Pastor's Corner

Sewer project getting closer. We have received a posting to display on our property disclosing our potential sewer project. October 18th at 4:30 is a meeting to answer any questions or objections to our proposed plan.

Our men's meeting on Saturday the 22nd was great. We had a good turnout.

Our Ladies Retreat is scheduled for the first Friday and Saturday in March 2008. To be held at Redwood Glen.

I will be working at the camp 3 days a week due to the fact that the finances of the church cannot sustain the health care costs. The camp will provide health care and the church will be spared the additional costs. The long-term solution is for growth and giving in the church. I know that many are in difficult times financially and therefore Julie and I are finding ways to help the church through this time.
